

WALT know how to use money

Last week we learnt about where money comes from. This week we are thinking about the different ways we use money.

Task 1: What would you buy if you had £2? Discuss the different scenarios.

What Choices Do People Have About What to Spend? 

You have £2. What would you like to buy?

What would you choose to buy in each of these scenarios?

- Going on a long train journey
- Going to play in the park
- Going to your friend's house
- Buying a present for your auntie's new house

What we are doing can also influence what we spend our money on.

Task 2: Can you guess what the people are doing based on what they have bought?

Receipt	
Two sandwiches	£2
Two packets of crisps	40p
Two bottles of water	£1
One ball	£1.50

Receipt	
One big cake	£4
Four packets of crisps	80p
One packet of biscuits	80p
One packet of balloons	50p
One packet of party hats	£1

Task 3:

I get £2 pocket money every week. I would like to buy a car that is £10. What can I do?
