

WALT make arrays

Below there are some examples of arrays:

There are 2 in each row.

There are 3 rows.

$$\underline{2} + \underline{2} + \underline{2} = \underline{6}$$

There are 6 altogether.

There are 10 in each row.

There are 3 rows.

$$\underline{10} + \underline{10} + \underline{10} = \underline{30}$$

There are 30 altogether.

Use the templates below to make your own arrays. There is no need to print this, you can draw them on paper.

There are _____ in each row.

There are _____ rows.

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

There are _____ altogether.

There are 2 in each row.

There are 3 rows.

$$2 + 2 + 2 = \underline{\quad}$$

There are _____ altogether.

There are 5 in each row.

There are 4 rows.

$$5 + 5 + 5 + 5 = \underline{\quad}$$

There are _____ altogether.

There are 2 in each row.

There are 2 rows.

$$2 + 2 = \underline{\quad}$$

There are _____ altogether.
