

# Short Form, Long Form

I can explain and use plural and possessive -s.

1. Write in the missing form.

| Short form with apostrophe | Long form                             |
|----------------------------|---------------------------------------|
| a) The girl's hat.         | <i>The hat belonging to the girl.</i> |
| b) The boy's shoes.        |                                       |
| c) The park's flowers.     |                                       |
| d) The bike's bell.        |                                       |

# Short Form, Long Form

I can explain and use plural and possessive -s.

1. Write in the missing form.

| Short form with apostrophe | Long form                                |
|----------------------------|--|
