April 2026

Middleton Primary School Newsletter

Staff Update & Baby News

We are pleased to introduce some recently appointed staff members; Miss Cross (teaching assistant) Mr Yorke (French teacher) and Mrs Fuell (Nightingales class teacher).
We are delighted to announce the safe arrival of a daughter for Mrs O'Leary and a son for Miss Baldwin. Mrs Roxburgh has now started her maternity leave and we will post an update in due course.

World Book Day

Lots of children and staff came into school dressed as a book character to celebrate World Book Day.
We raised £127 in addition to the total from the book fair of £367, which will be used to purchase various reading resources for the school.

Trips and Events

The various events that have taken place recently include: Foundation visiting the Milton Keynes central library, a residential to Gulliver's Land for Year 4 and Year 3 had a trip to Legoland! The summer term will be very busy with more exciting trips and residential visits, please check the diary dates and look out for the relevant communications with further details.

Medication

If your child suffers from hayfever or you expect that they will need to be given pain relief for any reason during the school day, may we remind you to make sure that you bring any medication/eye drops to the School Office with the relevant permission form. We do have an emergency supply of pain relief and hayfever medication but this should only be used for one-off incidents.

'Red Nose Day' raised an amazing £353 and our thanks go to everyone that took part and donated.

Middleton's website - social media

Middleton Primary School now have a new Facebook page as well as an Instagram page;

Class Photos

May we remind you that the school photographers will be in to take the class photos on Wednesday 22nd April. Please make sure that your child is wearing their full school uniform and the correct footwear.

MK Music Hub Instrumental Festivals

In March, we were incredibly proud to take several groups of our talented young musicians to perform at the MK Music Hub Instrumental Festivals, held at the Church of Christ the Cornerstone. The children, who learn woodwind, brass, guitar and string instruments, represented the school beautifully. They performed with confidence, enthusiasm and great musicality.

Their hard work and dedication were recognised with four certificates, including Ensemble Awards and Outstanding Performance Awards – a fantastic achievement. These were proudly presented during our Key Stage 2 singing assembly, giving us the opportunity to celebrate their success together as a whole Key Stage.

PE

Our Year 5&6 girls football team were this year's winners of the MK school's football league. The girls were outstanding throughout, going unbeaten in 12 games and not conceding a single goal! Mr Buck and Mr Douse are extremely proud of the girls and how far they have come.

Upcoming dates
