The various events that have taken place recently include: Bikeability training for Year 2, Year 5 visited Tudor World in Stratford-upon-Avon and went on a residential trip to the Yorkshire Dales. Whilst Year 6 & Year 1 visited the Science Oxford Centre. This term is very busy with more trips and residential visits, please check the diary dates and look out for the relevant communications with further details.

School Discos

The end of year discos will take place during school hurs on Thursday 9th and Friday 10th July.

On the day of their disco, children should come into school dressed in their party clothes. Please ensure they have sensible shoes for playtime and dancing!

Full details and the date for each year group will follow nearer the time from FOM.

Yr 6 Enterprise Fair

We are really proud of how hard Year 6 worked completing their SATs. They will be using their maths skills to create and run an **'Enterprise Fair' on Tuesday 9th June.** They have been given a budget of £5 per child and split into groups, for each group to create a stall. The profits from the Enterprise Fair will be used for the Year 6 end of year treat. This is a fantastic event which is always well supported by parents and children from across the whole school. If you have any donations of prizes for the Tombola please bring to the School Office.

Baby News & Staff Updates

We are very pleased to announce the safe arrival of a daughter for Mrs Roxburgh. Mrs Markham will soon be starting her maternity leave and we will post an update in due course. We welcome back Miss Wakley from her maternity leave.
We were sad to say goodbye to Mrs Whitters last month and wish her well on her retirement, after working for over 20 years at Middleton. She will be greatly missed by both children and staff.

Infant Brass & Strings Celebration Concert

Before the half term break, our 'Infant Brass & Infant Strings' children from Year 2 performed in their first concert at Shenley Brook End School Theatre. They were joined by children from other schools in Milton Keynes. They performed as part of a larger group and played two pieces, that they had learnt in their brass lessons at school. They played beautifully and we were very proud of them.

Warm Weather

Please make sure that the children have hats to wear for when they go outside at breaktimes and lunchtimes during warm weather days. Please send in sunscreen (in a named bottle) that they can apply themselves if needed.
Please also send your child in with a named fresh bottle of water every day and put a cold pack in their lunch bag/box.

Lost Property

May we remind you that if your child's belongings are clearly named they will be returned, so please make sure that your child's full name is on **EVERY ITEM of clothing/PE kits/lunchboxes/waterbottles etc**.
Please regularly check the lost property box in the main playground for any lost items. Anything that has not been claimed by the end of the term will be donated to charity/FOM.
